Sort recommended best-selling alphabets, A-Z alphabets, Z-A prices, low to high prices, high on high dates, old on new dates, designed for durability over the lifetime of the new 6 products and made to wear comfortably in the field, addressing the specific needs of women's tactical clothing by providing contour cuts for First Tactical's advanced women's bespoke professional solutions. Crafted with a flex action waistband and premium materials and key reinforcements, these tactical trousers combine with a perfect fit and function. Stretch WaistARMS technology provides continuous comfort and moves with you while moving. The MoveRunning gusset structure provides full motion flexibility and comfort. Reinforced pockets The pockets of all V2 trousers feature reinforced pocket flaps for a professional look. The gusset at the bottom of the pocket guarantees plenty of space for all essential gears without adding bulk. Tactical duties often require more from law enforcement clothing than standard police uniforms can provide. Blauer's women's tactical pants are often designed for officers who place high demands on both themselves and clothing. Our team has designed several styles of tactical grade female police pants to perform your best when you need to do your best. Each pair uses the latest heavy duty fabrics and includes the features you need for every scenario. Many design elements are based on the opinions of women across the United States who wear these pants every day and have to work without failure. All of our tactical law enforcement pants for women make professional uniforms look like pants and are manufactured either comfortable or athletic fit for freedom of movement. They are certified to nfpA 1975 standards to resist flames and feature many standard tactical features such as fade resistance structure, extra strength seat seams and shirt grips to keep the uniform top. B.DU™ women's tactical cargo pants store all important equipment with a breathable lip-stop cotton blend and 10 pockets. Flexforce™ women's pants are another high-quality option. Pants do moisture management to help you stay cool in heated moments. Blauer tactical pants are available in several colors to meet uniform regulations or to provide camouflage in certain situations. You can order traditional women's black tactical trousers and navy blue women's trousers, or choose military-inspired colors such as green and dark grey. Many of our tactical pants have waterproof finishes, reinforced knees, advanced odor protection and other innovative additions that will make it an indispensable part of your operating wardrobe. They are easy to manage as well and can usually be washed in the washing machine at home or station. Choose a product to learn more about high-end women's tactical pants or read reviews from others who trust women in the field.
